# Welcome to the world of **Great!**

We were thrilled with GreatWhite's vision of providing an extraordinary lifestyle and were fascinated by the revolutionary products that the brand has developed in the home electrical space. The brand has redefined the meaning of comfort with solutions that are not only innovative but at the same time environmentally friendly too. The idea of creating a comfortable lifestyle with a sustainable environment is the true meaning of luxury and this enticed us for the association with the brand.

With this association as brand ambassadors of GreatWhite, we feel privileged to promote luxury and comfort to consumers across the globe. The world is changing and we believe the need for convenience and safety is the need of the contemporary world. The brand's philosophy of providing a better life with innovative and ultra-modern solutions resonates with our personality. Moreover, the commitment towards work and relentless efforts to create products of exceptional quality and standards sync with our belief.

We welcome you to this journey of luxury,  
indeed to a journey of Great.

LUXURY,  
INNOVATION &  
PERFORMANCE

Welcome  
to the world of  
**Great!**

For over five decades, GreatWhite has redefined home electricals, bringing comfort, luxury and innovation to millions of homes. From modern switches and efficient switchgear to energy-saving LEDs and smart home automation, we have consistently delivered excellence.

Now, we proudly introduce GreatWhite Fans—a range of ceiling, table, pedestal, wall, ventilation and exhaust fans crafted with cutting-edge technology and premium materials. Designed for long-term reliability and performance, our fans seamlessly blend form and function.

Driven by innovation and quality, GreatWhite transforms everyday living. Experience a new standard in home solutions with us.

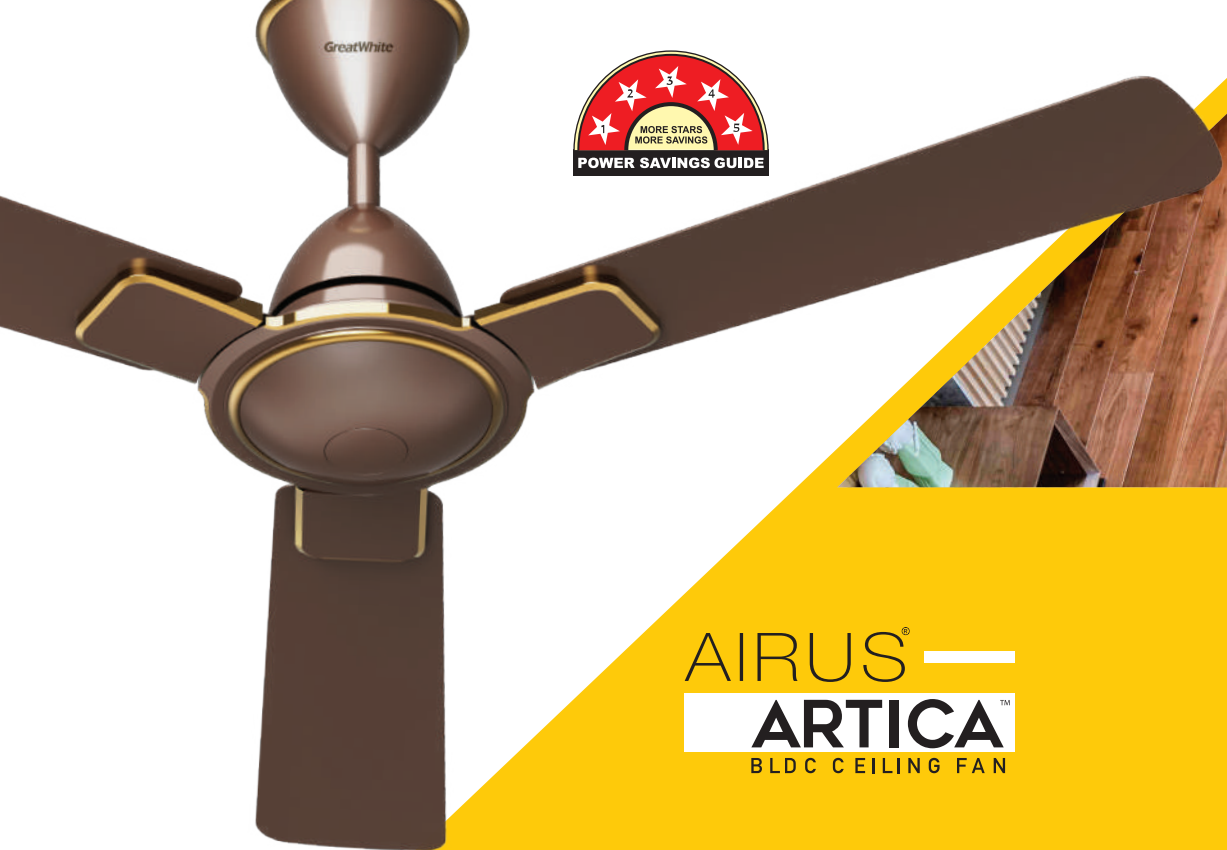

HOME IS WHERE  
COMFORT MEETS CARE.

To elevate your space, GreatWhite presents the

**AIRUS**<sup>®</sup> Series

Featuring Ceiling, Table, Wall, Exhaust, Ventilation and Pedestal fans. Known for our innovative switches, LEDs, smart home automation and switchgear, we now bring you fans that combine aesthetic style and superior performance. Thoughtfully designed, Airus fans are more than appliances—they're integral to your décor. Experience the perfect balance of form and function with the
